ORE CIA 703
Foreign Youth
Organ.

TO: Assistant Director
Office of Reports and Estimates
The Central Intelligence Agency

FROM: The Department of State
Office of Intelligence Research

SUBJECT: Request dated 5 June 1950 for Departmental
Estimate on Student and Youth Organizations
in Liberia, Madagascar and French Equatorial
Africa.

The Office of Intelligence Research is already undertaking, at the request of ORE, an extensive assignment on Foreign Youth Organizations. The subject request would inevitably conflict with our previous commitments and would, in addition, involve a substantial amount of work on the part of very small and overburdened field staffs in the areas concerned. I judge from your last paragraph that you do not consider that this request is extremely urgent and I do not therefore feel that I would be justified in requesting the required information. If I am in error about the urgency of this matter I would appreciate further word from you.
